This is my first time visit Australia Queensland, Brisbane.

I think this study tour was great and excellent.

The most unforgettable places are Surfer's Paradise.
There was a huge beach and a lot of souvenirs shops. I bought things for my dad and mum and I took a lot of photos in the beach. Also Currumbin Wildlife Park is also great. I could touched the koalas and took a photo with it. I fed kangaroos and watched sheep shows too.

But what I like the most ^{was} ~~is~~ going to Movie World. I could play exciting thrill rides like Joker ride, green lantern, superman etc.

I think the rides are the best, better than Hong Kong theme parks.

To conclude, these 14 days, I learnt a lot in class and buddy. I always spoke English all the day. So my English has also improve.

Thank You :)
