Reflection

This study tour is so unforgettable to me. The best part about this tour is my homestay family they are awesome. I think we got the best homestay ever. I have a wonderful time everyday after homestay pick us up and also a fantastic weekend.

The second part I like a most is tour is different places. I love to went those places so much. Let me experience so many things that I never done in my life. And our tour guide is wonderfull he made our sight viewing become even funer. The last part I like to compare is the native & Australian classes in

the last three day. These three day make we understand how Australian kids learned and Australia's education system. And I also met a great buddy she is really doing her job we became such a good friend. This tour is so meaningful and remember by my heart. I love it so much. I wish the tour can be longer.

Thank You:-)
