Reflection

I went to Australia this summer, we went to a lot of Attractions and had lessons with the Australian students. We had visited the Queensland University, Surfers Paradise, Currumbin Wildlife Sanctuary and Movie world. I am happy to join this study tour and it let me learnt lot of ~~actress~~ knowledge about Australia.

My favourites' place is Movie world because there have a lot of games. They are all very excited.

I think this study tour is very unforgettable because there had a lot of ~~the~~ things are interesting and the places are beautiful. I love ^{and} Australia because I think Australia is an energetic ^{and} country (beautiful)

In this trip, I learnt how to speak a fluent English, improve my interpersonal

relationships and how to get along with others. It also let me learnt more about Australia's culture and history.

Thank You :)
