

My Sharings

① # During this study tour, I enjoy the time spending with my host family. Although they are Chinese, they spoke English to us because they wanted us to improve our English. Our host mother take good care of us. I will never forget the time spending with my host family.

② # The most unforgettable place was the snow mountain. It was the first time I had been to the snow mountain. Although the weather ~~on the~~ was unstable on that day, I still had a lot of fun in the snow.

③ # By the way, it was ~~the~~ a good experience in this study tour. Australia is a good place to travel.
