Time flies, 7-days ~~is~~ is not really long, but I've learnt a lot in the study tour.

Before I came, I felt nervous when I speak in English although it's just have a chat with the teachers. But after the study tour, I become brave, it's feel better when I speak in English. My spoken English gets lots of improvement.

It's my first time visit Europe. I love Scotland a lot. I can feel the people in Scotland are really friendly and it's a country full of love & ~~very~~ warm.

I think I'll never forget the "Disco Night". That's really interesting and I never try it in Hong Kong before! It's quite fresh for me.

Also, I'll never forget that we climb the Arthur's Seat. To be honest, I'm not really

like sport, so it's really challenge for me. But the view of the Arthur's Seat that's pretty wonderful! I really love it!

Thank You :)
