Reflection

This is my first time to go to Edinburgh. I was so excited when I came to Edinburgh. I was embarrassed when I in the first lesson. After a week, I started enjoy the lesson. I was very enjoy the activity. I think my study trip is very good. I like this country very much. I have learnt more english words after this trip. I have a lot of memorable moments. I think the most memorable moment have two things. One is we go to Portobello Beach. We have fun there. I love the beach very much! Another one is the Edinburgh Dungeons. We felt very scared in there. It's

really a memorable moments. I love this trip so much!

Thank You:)
