Reflection

* Please write in English

I have a nice journey ^{in Oxford} this time. I went to different places every week, e.g. Bath, Brighton, etc. It is quite interesting.

When I go to school, I have met some friends from Italy and Mainland China. They are friendly and lovely. I wish I can see them again. The lessons were interesting and my teacher Mr Ian was a nice teacher. He encouraged us to speak English bravely. I ~~am~~ am confident to speak English now, even though I still need to improve my English listening and oral.

And about the homestay family, they were very friendly and lovely. They were always taking care of me. I remember

that once I had got gastritis, Mrs Miah took me to hospital to see the doctor and she reminded me to take medicine and asked ~~me~~ my feeling every day. I'm glad to live with them in ~~the~~ these 3 weeks.

On the last day we stayed in England, Mrs Miah ^{and her family} took me to the farm and we picked the strawberries together. The strawberries were sweet and tasty. It was quite interesting because I seldom pick the strawberries in Hong Kong. It is an unforgettable memory with my homestay family!

This trip is unforgettable for me!

Thank you :)
