This is my first time ~~to~~ I come to Europe. I have never been a place this far before. During my journey, I have lots of ^{great} ~~memorable~~ ^{time} ~~moments~~. I can say, I ~~didn't~~ ^{didn't} only learn something, but I've grown to be a independent teenagers.

I enjoyed the study trip much. England is a cultural country and I can feel the passion from the British people. Fortunately, my homestay family ~~are~~ is being nice to me. I apologize the trouble I've made and I appreciate them for taking care of me. They ^{inspired} ~~inspired~~ me to become a wise and ~~to~~ positive man.

In the journey, I learnt the brief history of United Kingdom. How United Kingdom was formed and what happened during Civil War. There are lots of memorable moments and my favourite is heading to the Warwick Castle. It was literally a huge castle. It was like another version of Disneyland, but with its true story.

My journey in UK has come to an end. I ~~am~~ appreciate

my teachers, leaders and my host family for looking after me. You ~~give~~ gave me an unforgettable summer. I am sure I will miss this place and I wish you have a great day.

Thank You :)
