

### My Sharings

This is a wonderful trip, which let me saw all the famous spots in London and Paris. I hope I can gain an opportunity to join other study tour like this one in the ~~future~~ future.

In this trip, I need to be independent. I have to pack all the things by myself. During my stay, I have to be aware of the time. Nobody will wake me up in the morning and I need to be on time for every activity. I learnt that I am already grow up so it's time for me to be independent and responsible. This is really something that I can't get from textbooks and school.

Being able to visit France and UK allow me to understand the culture difference between ~~that~~ these country.

This is an unforgettable experience.
