### Reflection

\* Please write in English

Since this is my first time to have such a long flight to Australia, I felt curious and found it <sup>interesting</sup> ~~interests~~. Although we only have stayed here for 2 weeks, I still have lots of fun with my buddy at school and my host family.

My favourite part of this study trip is that I visited South Bank at night and playing basketball with my host family. South Bank is much more beautiful at night. We have went to a park in South Bank and had lots of fun with the children.

Apart from improving my English, I also have know more about the culture in Australia. I like the people here. I like the way how they meet new friends. I also have build a strong friendship with my buddy, even though

we just stayed with each other ~~to~~ for a week. It is also very different of how the teachers teach and I prefer ~~more~~ the teaching method in Australia.

I like here, and I would love to visit here again.

Thank  
You :)
