I'm so glad and grateful that I've joined this study tour. This tour broaden my horizon and let me have a more in-depth understanding of Australia.

I've a really great moments with my host family. Mr. Brown and Mrs. Brown are two really kind and sweet host dad and host mum. They shared the ~ culture and Mr. Brown even taught us how local

to drive at his backyard. I really appreciate their kindness and efforts. I hope we will meet again.

Besides the strong bonding ~~between~~ with the host family. Groves Collenge is a really relaxing and interesting places for students to study. The teachers and students are friendly and passionate. I had a really wonderful learning experience there.

In short, this trip not just enhancing my English level, but also increasing the understanding of Aussie culture.

Thank
You:)
