## Reflection

Joining this study tour is one of the most correct decision that I have even made. During the study tour, I learnt more English skills. It is joyful that not only can I meet more international friends in Groves, but also learn more about the culture of Australia. For example, they usually have sandwiches for their lunch. In Hong Kong, there are many choices for us to choose. Nevertheless, Australia usually eat a lot of bread. More than that, Australia weather is so great that everyday is a sunny day. It is very thankful that I have met a lot of friends in Groves.

Thanks my buddy Olivia and Monna, they really treated me as a friend.

In this study tour, the most memorable moment is in every morning tea and lunch,

all the friends sitting together and chat a lot, laugh a lot. I really enjoy the school life in Groves.

Thankyou for everyone who helped me in the study tour, I got no regret.

Thank You:)
