This study trip is my first study trip. It is my first stay in other country ^{for a long time} my first leave Asia, my first leave home without parents. When I heard this study trip to Scotland, I was very happy. Because I want to go to Scotland for a long time.

I like Scotland. All the things in Scotland is beautiful. Buildings, people, Castle, lake and many things. And many of them we can not see in Hong Kong. When I first day arrived here, I feel amazed. A big grassland, many sheeps in there to eat grass. But in Hong Kong, we can not see many grass, can not see many sheeps.

We need to have lessons every day except for the weekend. I met some new

teachers, some new friends like Dasha, Polina, Sofia, Martina and many of them from Italy or Russia. Our teacher - Barbora is a nice teacher. She lets the lesson interesting. I think my English have improved. Because I am brave to talk with people from another country. It can make me have more confidence. I think this is me in this study trip a big change.

It is Dasha - a girl from Russia and I's story. On 26th July, it is a Friday. Dasha will go back to Russia is Saturday. We have a hug and she send a hand rope for me. I was so moved.

Thank you :)
