Camping at Moogerah

Camping at Moogerah is a good experience for my friends and me.

We have this camp for two days and two nights. We arrived there in the morning and unpack things. Then we went to the canteen and had our yummy lunch. After that, we played some little games and had a wonderful time. And then, we played the indoor-rock climbing. It's a bit difficult but it's really a good experience.

At the evening, we had our dinner and I had a good sleep in our room.

The next day, we woke up early in the morning and had our breakfast. Then we played a game called ~~the~~ "team building". It's a quite interesting game but mostly

tired. After that, we had a archery in the outdoor. This is the best thing in the whole camp!

Last but not the least, I think this is a good and wonderful experience, also a good memory for me.

Thank You :)
