My stay in the dormitory

'Can you help me to take the towel?' 'Key! lent the hair dryer to me!' Remember the first day we back to ~~Siles~~ College, we already so tired. ^{When} the teacher told us we need sleep in the dormitory, ^{we} we all shocked, because in our mind dormitory is a very poor place. After we ~~took~~ the key from teacher, we were sad. We walked slowly to the room, we open the door and shouted excitedly 'what a great place!' we ran into our room immediately 'oh!' The room is as big as a palace. We have shower quickly and pack our thing. We were packing while we were singing. It was great. About 9:00 pm. We get ready to sleep.

'Good night!' when I lay on my bed, I thought I am sleeping on the jelly. The bed is as soft as feather. We all slept comfortable. In these valuable day, the dormitory always stay with us. We laugh and talk happily. It was a great opportunity to let me learn independent. I hope I can come to this dormitory again.

Thank You:)
