In this trip, we had visited a lot of famous places in Sydney, such as Darling Harbour, Taronga Zoo, University of Sydney and UTS, but among all ~~this~~ these ~~two~~ visits, I ~~do~~ really enjoy the visit to the Sydney Opera House, which is the most iconic landmark in Sydney. During the visit, we can take a closer look to the inner structure of the Sydney Opera House while at the same time ~~is~~ being fascinated by its ~~is~~ shocking and unique outlook. The trip ~~is~~ provides a great chance for students to learn different culture and to speak English. Through the daily interaction with the household family and friendly 'Aussies', we can gain confidence. ~~A~~ Apart from that, independence is also a big key of any study tour, I had a trouble packing

the luggage at the beginning but solve it after finding a solution. In HK, I seldom wash my dishes after dinner, which needs to be done ourselves here. Besides that, we had English lessons during the first few days, our teacher Miss Wong prepared a lot of information of Australia culture, ^{native} animals and food which helps us a lot on getting over problems in foreign country. Overall, the trip is really good and inspiring, but one thing that I want to point out is that the lessons lasted too long for me which leads to the lack of time ~~to~~ of sightseeing.

Thank You :)
