### Reflection

- 1: homestay
- 2: go where, how do you feel, what your favourite
- 3: buddy / school
- 4: feeling

When I arrived, our tour sent us to the school, and told us some rules, and then our homestay arrived to back her home, the house is some big, and they had the yard too. And the two little dog were so cute. Although the food were healthy, but it was yummy. The two children were naughty too, but long time ago, the girl was more better. Also the homestay people were kind to me.

We had go to the Movie World, Gold Coast and the zoo. My favourite place is Movie World, because there had a lot of game, the leader Josh took me, Kama, Michelle, Toby, Tomas to go away to play other things. He told us this game is so slow, but we rode on it, it was a roller coaster. This is my first time to play

rollar coaster, this was so exciting. When we went out, we saw it wrote 'Joker roller coaster' we knew that was Josh lied to us. Then we went to play other games.

Also we had went to school to study too, the school was so big. My buddy name is Abbey, she had long hair and big eyes, she was kind to me. She would teach me when I had something didn't know how to do, she would teach me about it. She would bring me to the big grass when it was lunch time. She would take her friends played with us too.

After this trip, I thought my english became more better, and I study more about Australia history, and I felt very delight because I can join this amazing study tour.

Thank You :)
