Reflection

After we arrived Brisbane. I met my homestay family. They are all very kind. There are four children. Jethro, Jasmine, Jayden, Jaxon. They ^{with me} played handball and basketball. Sometimes I play eletronic games with them too!

During this trip, I went to different places with my classmates. We went to Movie World and played the games in the machines to get tickets. Also we got on the rides. ^{They are} exciting! We also went to the zoo. We saw native animals of Australia and we hug the koalas. We went to the beach too! We built sandcastles

and played with water. We got all wet but we still enjoyed it.

At school, I met my buddy. His name is Aaryah. He is kind to me. He always talks with me. At lunch time, The other pupils invite me to play handball after a finished lunch. The lesson are fun too!

I like this trip because I learnt a lot about Australian culture. I also learnt to care myself and don't just ask for help. I like Australia because the people there are friendly. The place is so big, and I feel free. I hope I can join the study tour to Australia again in my life.

Thank You :)
