Reflection

I went to Australia for 13 days. My family homestays in Australia all are very nice. They are kind to me. Chole and Harry always played with me after school. We usually played hide-and-seek in their home. The elderly brother is very fun. He always make the jokes. Their mum and dad are very kind. Their mum, Casey, always made yummy food to us. Their dad is very fun, he laugh ever day.

I visited lots of place in Australia. For example Currumbin Wildlife Sanctuary, Movie World and Surfers Paradise. I love all of them because they all very nice. In Currumbin Wildlife Sanctuary, there was lots of animals, such as snakes, turtle, birds, kangaroos

and koala. In Movie World, there was a lot of rides. All of them are very excited. In Surfers Paradise, there was very pretty. There was very sunny and the sand there was very soft. I love them very much.

The school in Australia is very good. The students there all are very outgoing and kind. If I don't understand what the teacher said, they will try their best to teach me. My buddies there all are very nice. I felt very glad about that.

I love Australia very much. I hope I can travelling to Australia once more time.

Thank You :)
